Time to get the year moving forward. Seems so much time spent on the past that many cannot change or can we do anything about it.

If you have suggestions and ideas then please offer a solution that is achievable . It isn't always about the board fixing a problem you perceive without giving us an idea that will benefit the majority.

March is the time we will select many committee chairs and we are confident we will have a broad interest from our members. We need new input, new "blood" and new motivation to move forward. The same "stale" issues keep coming up but no one has come up with a viable solution to fix it.

How about our by-laws? I see amendments needed in our immediate future. Every member of AGRA can submit changes to the by-laws by presenting them to the Secretary for review. Then the board reviews, if meets all guidelines we will send to the membership for review and decide at a future membership meeting to approve or not. You have that right, make sure your submission will be in the best interest of AGRA.

The RRRR 2010 is our 25th Anniversary of rodeo. We need everyone's participation in the coming year to make it a major event. After the rodeo director is selected that individual(s) will need everyone to assist with the event, starting immediately. Be proud and show that you were a part of our biggest party.

I will look forward to hearing from you and let's be positive in moving forward.

Until next time....

Respectfully,

Gary Hatterman
AGRA President

Howdy Cowboys and Cowgirls,

I would like to let you all know that as of the time I write this we currently have 92 members in our association. This is a good start but we need to share our vision for rodeo with our community and continue to bring in new blood for the organization.

We have a lot of business on our plates right now with Phoenix Pride Festival coming in April and our very own Pussy LeHoot putting the final touches together for the Saint Patio Days on the 14th of this month. We need to continue to get the word out for our biggest event of the year. RRRR 2010 has moved to February and our advertising efforts need to show the enormity of our 25th Anniversary of Rodeo. Lets all use our talents and express our desire for the greatest rodeo in the IGRA Circuit.

We are still looking for someone interested in being the Newsletter Committee Chair and produce the Branding Iron. This individual will select a couple of associates to help design a newsletter that will reflect the new AGRA and it's anniversary coming up. The articles can come from any AGRA Member and can include anything that is pertinent to AGRA and the organization. The Branding Iron is not a forum for political agendas or personal opinions. This is a tool to share the information needed to operate our business of Community Support.
